

Make your very own Lion door hanger

The Lion is the King of beasts, strong and mighty. Noble families like to use the lion, and the King is no exception. It is a great symbol of England - three lions still decorate English shirts today.

- 1 Colour in your lion door hanger.
- 2 Write your own message on the shield. For example; King Henry's bedroom!
- 3 Using scissors and the help of an adult, cut around the red line.

Your door hanger is ready!
