

Why not volunteer in the Gardens at Hampton Court Palace?

We are a fantastic place to volunteer, motivated by a love of history, plants and the certainty that gardeners make our surroundings a better, greener, more beautiful place.

Be part of an incredible team. We are looking for enthusiasm, passion and excellence in the learning, skill and practice of horticulture. Our gardening staff will infuse you with the skills, time and passion, which makes our gardens so different. Whether you are looking to help in the outdoors, connect with the public, or get up close and personal with our historic gardens we welcome your application.

The Gardens at Hampton Court Palace are devoted to providing fulfilling and inspiring experiences for our volunteers and aims to satisfy the many different reasons people have to volunteer.
