

Wedding Cake

Historic
Royal Palaces

Queen Victoria's wedding cake was huge: it weighed more than 140 kg. Use this template to design your very own royal wedding cake.

Get decorating!

Imagine Prince Harry and Meghan Markle have asked you to make their wedding cake. How would you decorate it?

What's on top?

Queen Victoria's wedding cake was covered with orange flower decorations. Figures of the bride and groom, Britannia and even a dog sat on the top. What will you put on the top of your cake?
