

## HISTORIC ROYAL PALACES SCHOLARSHIPS

Many thanks for expressing an interest in applying for an HRP Scholarship.

The scholarships support those from BAME backgrounds in undertaking the MA in Heritage Management. Their purpose is to

- support groups currently under-represented in the heritage sector
- increase diversity and inclusion in the heritage sector workforce
- encourage diversity of interpretation and discourse regarding heritage sites
- ensure everyone feels the palaces are for them
- contribute to the sustainability of Historic Royal Palaces' sites through making them accessible and relevant to all

The scholarships will cover your part-time MA course fees and a living allowance of £12,273 per annum.

For the duration of the MA, and alongside the course, those holding the scholarships will work as part-time interns within the Curators' team at Historic Royal Palaces for an additional two days a week. This work will contribute to ongoing projects within the team as determined by the managing curators and are not specifically tied to BAME-related themes.
