Dear Sir or Madam,

Thank you for requesting a Fishing Permit application form for the 2021-2022 season and a copy of the Terms & Conditions.

Please note that the following information has changed in line with safety measures due to the COVID-19 pandemic. We recommend reading them fully to ensure your application is processed as quickly as possible.

Please complete the form and return it to the address below with the following:

- A photocopy of a valid Environment Agency (EA) rod licence.
- 2 passport quality photographs.
- A self-addressed and stamped envelope.
- A photocopy of photo ID such as a driving license, passport or other official ID (18yrs+) or official proof of age such as birth certificate (17yrs or under).
- A photocopy of proof of disability, if applying for a disabled concession permit.

Post Office receipts will not be accepted as a substitute for the EA licence and will delay the application process.

We will not be accepting payment by cash this season. If paying by cheque, please allow 21 days for it to clear before we post the permit back to you.

All permit applications and completed permits MUST be sent and received by post. Due to the temporary closure of the Hampton Court Palace Ticket Office, you WILL NOT be able to collect an application form, deliver a completed application or collect a processed permit onsite.

Please allow a minimum of 10 working days for us to process the application and return it to you.

We have changed some of our terms and conditions for the 2021-2022 season, **please ensure you read these carefully prior to completing your application.**

To find out more about how we collect and use personal data, please see Historic Royal Palaces' Privacy policy - www.hrp.org.uk/privacy-and-cookie-policy

Kind Regards,

Terms and Conditions

The permit holder may only fish in waters specified in this document and must be in possession of a valid Hampton Court Palace Fishing Permit and Environment Agency rod fishing licence. Both items will be should be produced when require by an authorised person.

Children under the age of 9 years are able to fish without a permit but must be accompanied by an adult permit holders at all times. Children aged 10-12 years must have a valid Junior Hampton Court Palace Fishing Permit but do not require an EA licence. Children aged 13-16 years must have a valid Junior Hampton Court Palace Fishing Permit and an EA Junior rod fishing licence. Children 16 years and younger must be accompanied by an adult.

Fishing without an EA licence, can result in a fine of up to £2,500 and a criminal record.

Failure to produce a permit and licence once fishing is an endorsable offence. Breaches of conditions will result in permits being endorsed. A permit may be endorsed twice and each endorsement remains on a licence for 18 months from the date issued. Any further breach of conditions or Park Regulations will result in the permit being confiscated and cancelled. The holder will be banned for a fixed period after investigation by the relevant parties. Altering or transferring a permit to another person will result in forfeiture. Persons found fishing in the Boating Pond in Bushy Park or any other areas not specified above will receive a permanent ban. Historic Royal Palaces and The Royal Parks offer an appeals process with regards to endorsements, cancelled permits or in the event of a ban being issued. Contact details can be found at the end of this document.

We are dedicated to protecting the land in our care, as well as the people that enjoy the parks and animals that make it their home. In order to ensure this we ask that all fishing permit holders ensure they adhere to the following terms. Failure to do so can put everyone at risk and result in the confiscation of your permit. All anglers must:

- Use safe non-tether rigs, a suitably sized landing net and unhooking mat is compulsory to protect fish while they are out of the water. The mat must be able to

protect a fish up to 40lbs in weight so it doesn't come into contact with the ground. And use a disgorging or forceps to prevent damage.

- Only use particle baits that have been prepared by the manufacturer and labelled as such and are limited to a maximum of 1KG of ground bait, free fed boilies or particle baits in any one fishing season.
- Avoid the fountain on the Long Water, failure to do so may result in a life ban.
- Anglers must be prepared to reel in and present any fishing rig in use to a designated official for inspection upon request.
- Return all fish to the water in a safe and responsible manner.
- If you find any dead, injured or diseased fish or notice any wildlife in danger, please contact Hampton Court Palace Control on 0203 166 6599 or, if in Bushy Park, The Stock Yard on 0300 061 2250.
- The use of umbrellas, shelters and bivouacs are permitted and should be attended and secured at all times.

Permit holders are reminded that the careless actions can cause injury to birds and other wildlife. As such, we ask that anglers:

- Discard fishing lines and hooks in an appropriate manner and remove all rubbish from the Parks.
- Lead weights are prohibited, although lead shot fishing weights from size 8 to size 14 are excluded from this rule and can be used. Please beware that lead dust shot (size 8 and smaller) are toxic to birds if ingested. Spill proof containers for lead dust shot must be used and disposal of used lead should be carried out safely off site.

Use of the following equipment is prohibited while within the parks grounds -

- Dead lines
 - Net fishing
 - Foul hooking
 - Snatching
 - Snaring
 - Lead weights
 - Bait boats
 - Keep nets / Sacking
 - Tents
 - Barbed hooks (inc. micro barbs).
- Or any other device which would prevent the return of the fish to the water in an uninjured condition.

Angles are also not permitted to do any of the following:

- Leave rods unattended (over a distance of 10 meters or more) at any time, whether baited or not.
- Introduce any live fish of any species into the parks waters.
- Spinning, plugging and the fishing of Pike before 1st October.
- Fish in the Rick Pond on Wednesdays or Sundays as it is used by the Model Boat Club.
- Fish at night. This will result in a life ban. Wade and/or swim in any of the waterways. Adults permit holders may, at their own discretion and risk, enter the shallow margins of the water up to 0.5meter in order to land fish in exceptional circumstances however, they are advised to assess the risk before entering the water and ideally seek assistance where possible.
- Use live bait for pike or any other species.
- Fishing from any bridges, structures or islands, including boats and punts.
- Have naked flames of any kind including barbeques, fires, stoves and cookers in the grounds.
- Park their vehicle in any part of Home Park.
- Removing fish from waters of the parks including moving or introducing fish from one pond or watercourse to another.

Abide by any reasonable direction given by an employee of the Royal Parks, Historic Royal Palaces, Environment Agency and the Metropolitan Police Service. Abide by the Environment Agency Byelaws and Royal Parks Regulations cited above. Offenders will be reported with a view to prosecution in a magistrate's court. Serious breaches of these Environment Agency Byelaws and Royal Parks Regulations may result in the Environment Agency Licence being seized along with any fishing equipment present. In accordance with Parks Regulations 3, sub section 2, anglers found pre-season baiting will be reported and face automatic disqualification for the remainder of the season.

Following the COVID-19 pandemic, we require all permit holders to abide by the safety advice provide by the Environmental Agency including practicing social distancing and safe hygiene practice. The most up to date information can be found here - <https://www.gov.uk/government/publications/environment-agency-waterways-coronavirus-covid-19-update>
